Montezuma Lodge No. 1, A.F. & A.M. grants annually several scholarships to assist first year college students from Santa Fe with related costs. This scholarship is available to any student residing in Santa Fe with active plans to attend a qualified college level studies program in the upcoming year. The amount of the scholarship grant is \$2,000 to \$3,000 per awarded applicant or more depending on available funds.

An association with Masonry is neither required nor relevant for consideration.

The Scholarship Committee will screen all applications before conducting personal interviews with those deemed most promising. The chosen applicants will be contacted by early June and awarded the scholarships in an awards ceremony conducted in late June.

The money granted may be used for any expenses incurred relating to college studies during the first year of college including tuition, room and board, books, texts and supplies, travel to and from school, etc. The discretion of how to spend the scholarship is left solely to the student.

The following will be considered in awarding scholarship:

- the applicant's civic-mindedness and leadership potential as demonstrated by his or her activities both scholastic and extracurricular, recommendations, honors obtained, offices held, and so forth;
 - the applicant's financial need;
 - the applicant's grade point average earned during the Junior and Senior years of high-school; favorable consideration may be given to those students who have shown a significant positive improvement in grades or have undertaken advanced studies during this time;
 - the applicant's choice of college or university and the field of study they wish to pursue. Emphasis is given to local colleges and universities unless the pursued field of study is not available within the State of New Mexico;
- and
- the applicant's attached essay, which should be 150 words in length written by the applicant on the subject: "How a College Education will Improve Myself and My Contribution to Society."
